

ADVANTAGE PLAYER

A FEATURE LENGTH DOCUMENTARY

**SOME PEOPLE
BEAT THE HOUSE...**

REPEATEDLY.

They are called Advantage Players (APs).
This is their true story.

Advantage Player provides a fascinating look into the evolution of how ***brilliant minds have devised elaborate strategies to beat the house*** and become the most legendary gamblers of all-time. Not only have these pioneering mavericks won millions at blackjack, roulette, slots and the lottery; they have also disrupted the world of professional sports, as well as the biggest casino in the world – the financial markets.

ADVANTAGE PLAYER

The anchor of these incredible stories is **Mike Aponte, World Series of Blackjack Champion** and one of the ring leaders of the infamous MIT Card Counting Team featured in the movie *21*.

AP STORY #1

BLACKJACK

Applying an ingenious spin on the mathematics of blackjack, the MIT Card Counting Team wins millions and changes Las Vegas forever.

AP STORY #2

ROULETTE

Mathematicians and scientists
leverage the laws of physics
(and use the first wearable computer)
to beat the house at roulette.

AP STORY #3

SLOTS

A Russian mastermind reverse-engineers the algorithms of some of the most popular slot machines and wins \$60 Million at casinos worldwide.

AP STORY #4

SPORTS BETTING

A gambling syndicate revolutionizes sports betting with their computer-based system, only to make them the target of the FBI.

AP STORY #5

THE LOTTERY

A group of MIT students exploit a mathematical loophole in the Massachusetts State Lottery and game the Lottery system for millions.

AP STORY #6

SPORTS ANALYTICS

Visionary sports managers and executives harness the power of analytics to revolutionize the world of professional sports.

AP STORY #7

STOCKS + CRYPTO

By identifying anomalies and weaknesses in the system, investors crack Wall Street and Crypto markets – with greed leading some to cross the line of Advantage Play.
